

# USAG Ansbach FY14 Army Family Action Plan Issue Form

## Fresh Ideas Start with AFAP !

AFAP is a grass roots program in which Army community members can relay issues that affect well being to the leadership at the local or even DA level. Use this form if you have a concern or idea that you would like to see considered at the US Army Garrison Ansbach AFAP Conference from 22-24 October 2013.

**ISSUE:** (Give your issue a title that tells what the problem/issue/concern is – not a sentence)

**SCOPE:** (Tell us about the issue you want to submit; what the problem is, why it is a problem, who it affects)

**RECOMMENDATION:** (Tell us what should be done to fix it)

You may also drop off this form in the "Issue Box" at your local ACS office at Katterbach or Storck Barracks
